

Laborer

Beal Derkenne Construction (BDC) is a full service commercial General Contracting firm. Core services include General Contracting and Construction Management.

BDC was founded by Andrew Beal and Michael Derkenne in 2010. The company has successfully established an operation in Des Moines, Iowa in the commercial construction sector, along with establishing a General Contracting presence in the Phoenix, Arizona commercial construction market.

From tenant improvements to large-scale ground up construction to historic rehabilitations, BDC has successfully navigated projects of all shapes, sizes and timeframes. In addition, the company offers conceptual and schematic management, cost estimating, design and schedule management as part of pre-construction services. Early engagement in the project enables increased cost influence, an increased ability to define and establish aggressive schedules, and an enhanced ability to define project scope.

Role & Responsibilities:

We are seeking someone to assist with the execution of a ground-up multi-family project. This individual will be responsible for executing a wide variety of tasks assigned to him/her by a member of the leadership team on the job site. This is a full-time position with competitive pay including benefits. Need to be comfortable with construction culture and environment and able to work well with others in a team setting. Must be able to work on a construction site.

Responsibilities:

- Responsible for following safety standards throughout the duration of the job including identifying safety risks and being aware of the precautions required to eliminate those risks
- Complete a wide-range of construction labor to include jobsite clean-up and moving of material by hand
- Assist supervisors and crew members with day to day tasks
- Communicate with supervisors, including feedback to ensure you have the appropriate tools to complete your daily tasks
- Manage your time tracking log
- Proven ability to work effectively both independently and in a team-based environment
- Demonstrated willingness to be flexible and adaptable to changing priorities
- Strong organizational and time management skills

Qualifications:

- Ability to complete basic math including, addition, subtraction.
- Must be able to wear all safety equipment including steel toe boots, safety glasses, and hard hat. This job may require additional safety gear depending on the task at hand and all employees are required to follow company safety policy.
- Ability to regularly (25-50% of the time) lift/lower, carry and push/pull various amounts of force within the "heavy work" as defined by the US Department of Labor; team lift or mechanical assist recommended for weights over 50 pounds.
- Dependable and flexible hours: Availability Mon – Fri, 6am – 6pm
- Ability to legally work in the U.S. without need for sponsorship either now or in the future.

BDC is an Affirmative Action and Equal Opportunity Employer. All qualified applicants will receive consideration for employment without regard to age, race, color, religion, sex, gender identity, gender expression, pregnancy, national origin, citizenship status, disability, genetic characteristics, sexual orientation, marital status, domestic partner status, military status, protected veteran status, disability status or any other characteristic protected by law.
